

# A Circle of Angels - Options and Price List

Can you think of anyone in your life that would appreciate a special angel? Maybe to watch over them with love, to inspire some hope...to say "Thanks", or maybe to hold a special memory? All of our little angel charms feature **genuine Swarovski crystal** and are made by hand. We love doing custom orders too – check out additional options at [www.ACircleofAngels.com](http://www.ACircleofAngels.com) or email us at [info.ACircleofAngels.com](mailto:info.ACircleofAngels.com)
